EDUCATION

Full Stack Developer - JAVA

SEED INFOTECH

03/2022 - 08/2022,

Pune, Grade A

Bachelor of Computer Application

PJOG Senior College, Pune University

10/2019 - 04/2021,

Pune, 62.02% (CGPA: 6.52)

PERSONAL PROJECTS

Nums Bank (08/2024 - Present)

- ▣ **Technologies :**
- ▣ **Backend :** Java, Spring Boot, MySQL, Docker, Microservices
- ▣ **Frontend :** React
- ▣ **Description:**
- ▣ Designed and implemented a microservices architecture for managing accounts, transactions, customers, and authentication.
- ▣ Utilized **Java** and **Spring Boot** for backend development, ensuring efficient service communication and data integrity with **MySQL**.
- ▣ Leveraged **Docker** for containerization, enabling seamless deployment and scalability of services.
- ▣ Developed responsive frontends with **React** to enhance user experience through intuitive interfaces.
- ▣ Created and documented **RESTful APIs** for smooth service interaction and clear communication.
- ▣ Emphasized code optimization and maintainability, enhancing overall application performance and reliability.

Online Exam Portal (08/2022 - 01/2023)

- ▣ **Technologies :** Spring Boot (Backend), Angular (Frontend), MySQL
- ▣ **Description :**
- ▣ Developed a secure exam login page for Admin and User access, facilitating credential-based authentication.
- ▣ Created an Admin dashboard for building question sets with customizable time limits for each question and the overall exam.
- ▣ Enabled Users to navigate the exam smoothly, with options to save progress and submit answers for evaluation.
- ▣ Implemented instant feedback features and secure submission processes to enhance user experience.
- ▣ Established robust validation checks to ensure the integrity of questions and responses.

Foodies Website (05/2024 - 06/2024)

- ▣ **Technologies :** HTML, CSS, JAVASCRIPT.
- ▣ Developed a foodie website with a focus on pizza, utilizing HTML, CSS, and JavaScript to create an engaging and user-friendly experience. Designed and implemented responsive layouts and interactive features to showcase pizza offerings effectively. Demonstrated expertise in front-end development to enhance site functionality and visual appeal.

CERTIFICATES

Full Stack Developer - JAVA (03/2022 - 09/2022)

Completed certification with a focus on end-to-end application development using Java and related technologies.

Python Programming (08/2022 - 12/2022)

Certified in Python programming, emphasizing scripting, data manipulation, and automation.
